**A CONFERENCE YOU MUST NOT MISS!**

The Annual Healing Conference can be classified as one of the renewal movements in the Diocese of Jamaica and the Cayman Islands today. For over 40 years it has consistently placed emphasis on the fact that Jesus Christ, the Son of God, ministered to the various areas of human need, as Saviour, as Teacher and as Healer.

The emphasis placed on healing is not intended to diminish in any way the significance of the teaching and saving activity of Jesus, but is rather a recognition that this important aspect of the ministry of Jesus needs to be given the place in the church today that it rightfully deserves.

**Who is the Conference for?** Though it is organized by Anglicans, it is for Christians of all denominations. It is for the young and the old. It is for the new convert and the mature Christian.

**What can I expect at the Conference?** The Conference has dynamic speakers from across the Anglican Communion and the Jamaican ecumenical community, lively music, encouraging testimonies, early morning prayer services and Christian resources on sale. It ends on Sunday with Eucharist and the Laying on of hands for healing. The service is open to guests at the hotel and to outsiders at no cost.

**What do we expect of you?** That you will remember that you are in God's awesome presence; that God loves you and wants to extend his love to others through you; that blessings are in store for you and that you must be open and receptive to appropriate them. That you will spend much time in prayer. That you will be willing to share with others your stories of healing, blessing, joy, victory, and hope in Christ Jesus. That you will continue to walk and talk with Jesus and be ready at all times to share him with others. That you will speak to others about the Ministry of Healing, and be prepared to form groups in your local congregations to pray for and participate in this ministry.

As you prepare for your Healing Conference experience  
may this be your prayer:

*“Lord, you are a present help in trouble. Come revive, redeem, restore. In our darkness come as light; in our sadness come as joy; in our troubles come as peace; in our weakness come as strength. Come to our aid. Open our eyes to your presence. Open our minds to your grace. Open our hearts to your love. Open our lives to your healing, and be found among us. Amen”.
